International Environmental Institutions Fellowship, Center for International Affairs, Harvard University, 1993-94

Institute for the Study of World Politics, graduate research grant, 1993

Graduate Fellow, Center for Energy and Environmental Studies, Princeton University, 1990-1996

Visiting Scholar, University of Malaya, Spring 1994

Visiting Scholar, Yale University, Fall 1993

Paper Presentations

“The Oil Curse,” UCLA Sociology Department Seminar Series, October 2011.

“Making the Resource Curse Disappear,” presented at NTNU (Trondheim, Norway), September 2011.

“Unbalanced Globalization in the Oil Exporting States,” presented at:

- APSA Annual Meeting, September 2011;
- BI Business School (Oslo), September 2011

“The ‘Resource Curse’ in MENA? Resource wealth, economic shocks, and conflict risk,” presented at:

- World Bank, Brown Bag Lunch, December 2010
- World Bank, Brown Bag Lunch, March 2011

“Latin America’s Missing Oil Wars,” presented at:

- Latin America and Caribbean Regional Flagship Workshop, World Bank, September 2009;
- Princeton University, Democracy and Development Speaker Series, March 2010
- SUNY Buffalo, Political Science Department, March 2010.

“The Curse of Oil Wealth,” presented at Lone Star National Security Forum (University of Texas-Austin, Southern Methodist University, and Texas A&M), San Antonio, Texas, April 2009

“Oil and Democracy Revisited,” presented at:

- Ohio State University, Political Science Department, February 2011
- Rand Institute, International Development Speakers Series, July 2009
- UC San Diego, International Relations Speakers Series, March 2009
- Georgetown University, Government Department, January 2009
- University of Pennsylvania, Political Science Department, January 2009
- Yale University, Leitner Seminar, November 2008

“Oil and the State,” presented at:

- Brigham Young University, Department of Political Science, April 2008
- MIT Department of Political Science, Works in Progress series, February 2008

“Oil, Islam, and Women,” presented at:

- World Bank, Social and Economic Development Group, Washington D.C., January 2009
- Oxford University, Oxford Center for Islamic Studies, December 2008
- Georgetown University, Department of Government and Berkeley Center for Religion, Peace, and World Affairs, April 2008
- Yale University, Council on Middle East Studies, February 2008

- Brown University, Watson Institute for International Studies, February 2008
- Stanford University, Center on Democracy, Development, and the Rule of Law, February 2008
- University of Washington, Political Economy Seminar, May 2007
- UCLA, Department of Geography, Faculty Seminar, April 2007
- Princeton University, Transregional Institute Seminar, January 2007
- UC Berkeley, Seminar on Environmental Politics, September 2006

“Is Democracy Good for the Poor?” Presented at:

- Princeton University, Woodrow Wilson School, April 2006
- APSA Meeting, September 2005
- Duke University, Comparative Politics Workshops, February 2006, April 2005
- University of California San Diego, Political Economy Seminar, February 2005
- Stanford University, Center for Democracy, Development, and the Rule of Law, February 2005
- Conference on *The Bottom Billion*, Oxford University, June 2004
- Center for Global Development, Washington D.C., June 2004
- Stanford University, Seminar on Comparative Politics, February 2004.

“Booty Futures: Civil War and the Futures Market for Natural Resources,” presented at:

- Yale University, Conference on Failed States, May 2005
- APSA Meeting, August 2002

“How Should States Manage the Distributive Aspects of Resource Revenues? Some Considerations,” Columbia University, Workshop on “Escaping the Resource Curse,” December 2004.

“What Do We Know About Natural Resources and Civil War?” Presented at:

- McGill University, Workshop on Natural Resources and War, September 2003;
- University of Sussex, Institute for Development Studies, October 2002.

“Does Taxation Lead to Representation?” Presented at:

- UCLA Law School, Seminar on “Tax Policy and Public Finance,” January 2004.
- University of Sussex, Institute for Development Studies, Conference on “Taxation Perspectives: A Democratic Approach to Public Finance in Developing Countries,” October 2002.

“Resources and Rebellion in Indonesia,” presented at:

- Northern Illinois University, Center for Southeast Asian Studies, April 2005;
- Yale University, UN Studies/World Bank Workshop on Civil War, April 2002;
- Yale University, Center for Southeast Asian Studies, February 2002;
- UCLA, Center for Southeast Asian Studies, Conference on “Indonesia: Common Ground,” November 2001;
- World Bank Institute, Washington D.C., May 2001.

“How Does Resource Wealth Influence Civil War?” Presented at:

- International Institute of Strategic Studies, workshop on natural resources and civil war, June 2002;
- Global Development Network, Rio de Janeiro, Brazil, December 2001;
- International Peace Academy, United Nations, New York, November 2001;
- Yale University, Agrarian Studies Workshop, November 2001;
- UCLA, Political Science Seminar, November 2001;
- Stanford University, Center for International Security and Cooperation, Conference on Economic Factors in Civil War, August 2001;
- World Bank/PRIO Conference on the Economics of Civil Wars, Oslo, Norway, June 2001;
- UC Irvine, World Bank/UCI Workshop on the Economics of Civil Wars, Crime, and Violence, May 2001.

“How Does Mineral Wealth Affect the Poor?” APSA Meeting, August 2003.

“Inspiration, Credibility, and Turnout in Popular Rebellions” (with Ravi Bhavnani), APSA meeting, September 2001.

“Indonesia’s Civil Wars,” presented at:

- Indonesia Mission of the World Bank, Jakarta, July 2000;
- World Bank Headquarters, Washington D.C., August 2000;
- World Bank Institute, Washington D.C., April 2001.

“Does Oil Hinder Democracy?” presented at:

- APSA meeting, Washington D.C., September 2000;
- Yale University, Political Economy Seminar, April 2000;
- Princeton University, World Bank/Princeton University workshop on “The Economics of Civil War,” March 2000.

“Explaining Democratic Rebellions,” World Bank, Seminar on Political Economy, May 1999.

“The Political Economy of Southeast Asia’s Forests,” University of Wisconsin, Madison, Southeast Asian Studies Seminar, May 1997.

"Patronage and Change in the Indonesian Timber Sector," Association of Asian Studies, Chicago, March 1997.

"The Political Economy of the Philippine Timber Industry 1955-1992: Rent-Seeking, Ransacking, and Reform," International Studies Association, Toronto, March 1997.

"The Political Economy of Logging in Southeast Asia: Clientelism, Misregulation, and Reform," American Political Science Association, Chicago, September 1995.

"Conditionality, Contracts, and Logging Reforms in the Tropics," Duke University, SSRC Conference on the Human Dimensions of Global Environmental Change, June 1995.

Panels Organized

American Political Science Association, 2005: *The Social Consequences of Democracy*

American Political Science Association, 2004: *What Makes the Middle East Different?*

American Political Science Association, 2001: *Democratic Transitions from Below*

American Political Science Association, 2000: *Explaining the Resource Curse*

Asian Studies Association, 1997: *The Political Economy of the Indonesian Forests*

American Political Science Association, 1995: *The Political Economy of Nature and Natural Resources*

Other Addresses

"The Natural Resource Charter," at the 'Red Latinoamericana sobre Industrias Extractivas,' Lima, Peru, October 2011.

"The Political Economy of Resource Discoveries," IMF, High-Level Seminar, "Commodity Price Volatility and Inclusive Growth in Low-Income Countries," Washington D.C., September 2011.

"Five Things You Should Know about Oil and Conflict," World Bank, Extractive Industries Week, panel on 'Extractive Industries and the Potential for Conflict Prevention,' March 2011.

"The Past and Future of the Resource Curse," presented at:

- Peace Research Institute Oslo, September 2011
- Georgetown University, Mortara Center for International Studies, Workshop, May 2011
- US Treasury Department, International Affairs, March 2011
- Ohio State University, Mershon Center, Workshop on Rentierism in the Middle East, February 2011
- Stanford University, Center for Democracy, Development, and the Rule of Law, Workshop, January 2011

"Economic and Political Development in the Resource-rich Countries," Pacific Council on International Policy Annual Conference, October 2010.
